

ST. MARY'S
SOUTH SIDE CATHOLIC
HIGH SCHOOL
ON THE FRANK J. BOMMARITO CAMPUS

As we gather for the 2026 Gala on Grand, we celebrate another remarkable year of St. Mary's South Side Catholic High School — now proudly rooted as owners of our historic campus and rising with renewed vision for the future. For generations, St. Mary's has stood as a beacon of hope in St. Louis, blazing a unique trail in advancing faith, brotherhood, and opportunity across our region.

Join us as we celebrate this defining new chapter together.

Making a Difference

Rooted in the Marianist spirit, St. Mary's South Side Catholic High School forms all young men as leaders in a brotherhood of unity, empathy, dignity, and respect, to uplift our neighborhood, community, and world.

COLLEGE PREP EXCELLENCE

We ensure that every student is ready for college or university, equipped with the skills and confidence to succeed in higher education.

TRADE SKILLS TRAINING

We prepare our students for life beyond academics, offering vocational training through partnerships with trade unions—helping build a skilled workforce for the city.

ECONOMIC EMPOWERMENT

Education at St. Mary's is more than just learning—it's about giving our students and their families the tools to control their own economic futures.

THE DRAGON DIFFERENCE

Tuition covers only 20% of what it costs to provide this life-changing education. The rest? It's the result of the generosity of people like you—individuals, corporations, and foundations—that believe in our mission to ensure every young man, regardless of circumstance, has access to a quality Catholic education.
